The first night of league will be September 1, 2022 and the league will bowl 32 weeks with the last night of regular league play on April 27, 2023.

The Payout and Play-off for this league will be held on Week #33 (May 4, 2023).

This league will not bowl on November 24, 2022, December 22, 2022 and December 29, 2022.

The management of this league shall be vested in the Board of Directors, which shall consist of the league officers and team captains. The team captains shall elect the officers and the Board of Directors shall adopt the rules. A majority shall constitute a quorum.

This league will be affiliated with the USBC & their rules shall prevail along with the following adopted rules:

<u>Bowling Fees:</u>	\$12.50 Lineage
	\$10.00 Prize Fund
	\$.50 Secretary Fee
	\$23.00 Per Person Per Week

This is a guaranteed league and fees must be paid whether present or not. It is the responsibility of the team captain to see that each member of their team has paid and that the proper sanction forms and fees are turned over to the league secretary by the end of the 1st game.

No individual can win points if they are more than \$46 in arrears. This includes the sponsor fee and/or the last 2 weeks of bowling fees. **All bowlers must pay the last 2 weeks of league fees by the 4th week (September 22, 2022).**

If a bowler that is currently in arrears bowls and league dues are not paid to make that bowler legal (no more than \$46 in arrears), a score of "0" will be used for all games for that bowler. Any roster member may bowl for an absent bowler that is in arrears. When the absent bowler returns, he/she MUST pay enough league dues to be no more than \$46 in arrears; this includes the last 2 weeks and sponsor fee if due at that time. If not paid, the roster sub will receive a score of "0" for any games bowled for that bowler while they were in arrears.

Please make checks payable to: Vestavia Bowl

All returned checks will incur an extra fee of \$15. Any bowler with a returned check will be required to pay all remaining fees by cash only.

Sponsor Fee: The sponsor fee for this league will be \$150 per team and must be paid by the 8th week (October 20, 2022).

League Sponsor: Ryan's Pro Shop will sponsor the league and add \$2000 to the prize fund.
Thanks Ryan!!

Averages: For the first 9 games, a bowler will use their GBUSBC book average from the Ryan's Pro Shop Classic League from the 2021 - 2022 season. For those not in this league last year, the highest GBUSBC 2021 – 2022 book average will be used. If a bowler has neither of the above mentioned criteria, the bowler will then use their highest average of 21 games or more from Bowl.com. All averages not from the Ryan's Pro Shop Classic League are subject to re-rate. For those not having any book average, an average will be established the first night by bowling 3 games.

Avg. Committee: Chairman: Paul Ealy
Members: JoAnn Bridges, Chuck Maher and Johnny Atkinson

Handicap: Individual handicap will be based on 90% of the difference between the bowler's current average and 230. There will be no maximum handicap. An individual will not be penalized by the use of negative handicap. Team handicap will be the total of all the individual player's handicaps.

Point System: This league will use the 29 point system. Each individual will be awarded 1 point per game for bowling a higher handicap game than their opposing bowler and 1 point for bowling a higher handicap series than their opposing bowler. Teams will be awarded 2 points for each game won and 3 points for total pins.

Team Rosters: Captains shall turn in rosters of team members to the secretary prior to the start of the schedule. Rosters will be limited to 8 players per team. Any changes will be reported to the secretary or league officers prior to league bowling. Otherwise, a bowler may be added at any time other than the last 2 weeks of each quarter. Only those bowlers on the roster will be allowed to bowl the night of a position round.

Legal Line-up: A team must have at least 3 roster members present by the end of the 5th frame to constitute a legal line-up.

Team Line-up: The team ranked higher in the standings will put their line-up first.

League Season: Teams will be divided into 4 divisions with teams drawing for team numbers. Teams 1 - 7 will be in Division #1, teams 8 - 14 in Division #2, teams 15 - 21 in Division #3 and teams 22 - 28 in Division #4

The league will bowl 4 quarters during the season with a position round being held on the following weeks:

8 (1 st Quarter)	24 (3 rd Quarter)
16 (2 nd Quarter)	32 (4 th Quarter)

Position Rounds:

Division lane assignments are as follows: 3rd & 4th place, 1st & 2nd place, 5th & 6th place, with the 7th place teams bowling on lanes 7 & 8, and 33 & 34.

	Lane Assignments					
	7 & 8	9 thru 14	15 thru 20	21 thru 26	28 thru 32	33 & 34
1 st Quarter	Division 1 & 2	Division 1	Division 2	Division 3	Division 4	Division 3 & 4
2 nd Quarter	Division 4 & 1	Division 4	Division 1	Division 2	Division 3	Division 2 & 3
3 rd Quarter	Division 3 & 4	Division 3	Division 4	Division 1	Division 2	Division 1 & 2
4 th Quarter	Division 2 & 3	Division 2	Division 3	Division 4	Division 1	Division 4 & 1

In order to bowl a position round, a bowler must have the following number of games bowled in the league:

- 3 games, 1st Quarter
- 6 games, 2nd Quarter
- 9 games, 3rd Quarter
- 12 games, 4th Quarter

The top team of each quarter in each division will qualify for the play-off. If any team should finish in the top position in more than 1 quarter, they will receive the prize money for that position, but the next highest ranked team will qualify for the play-off.

Roll-Off Spot Tie Breaker:

If a tie should occur between two teams for a play-off spot, the tie will be broken by a 1 game roll-off. The date and time are to be agreed on between the teams involved. If the teams cannot agree on a date and time, the league secretary will determine the date and time of the tie breaker. The team winning the most points in that game will advance to the play-off. If the two teams tie in points after the 1 game, the tie will be broken with a 10th frame roll-off, with each bowler receiving 1/10th of his/her handicap, until a winning team is determined.

Tardy Bowler:

The tardy frame will be the 5th frame. A tardy bowler may catch up, provided the opposing anchor bowler has not completed the 5th frame.

Substitutions:

Substitutions will be allowed, but may not be made in the middle of a game, except in the case of injury. The new bowler must take the replaced bowler's position in the line-up. No more than 2 replacements per series, and once a bowler is out they may not re-enter. PACERS are not allowed.

Vacancy Score:

When a team does not have enough players on the roster for a full line-up, a vacancy score of 160 with an actual score of 160 will be used for computing handicap and individual points won for the game and series.

Absentee Score:

An absentee score will be allowed when a team has a legal line-up, but less than a full team present. The absentee score will be the bowler's current average less 10 pins. The bowler with the most games will be used. If 2 bowlers have the same number of games, the highest average will be used. Handicap will be figured on the average of the absentee bowler.

Points Won When Vacancies or Blinds Are In The Line-up:

Opposing teams with one vacancy or blind on each team must line up the vacancy/blind bowlers against each other. The team winning the game will also win the individual point.

If there is only one blind and/or vacancy between the 2 teams, the bowler bowling against the blind or vacancy score must beat their opponent's average less 10 pins plus handicap in order to win the point. If the bowler does not bowl within this criteria, the opposing team wins the absent/vacancy bowler's point.

Postponements Or Pre-bowls:

A match may be postponed or pre-bowled only when there is sufficient cause. A committee of 3 members (President, Secretary and Opposing Team Captain) shall determine what is sufficient cause and a 2/3 vote will be required to grant a postponement or pre-bowl. All postponements or pre-bowls must be requested at least 48 hours prior to the scheduled match, except those granted in emergencies.

Calling the bowling center does not constitute obtaining a postponement.

The postponing team captain must notify a league officer. As a courtesy, the opposing captain should also be notified by the team that is making up. All postponed games must be made up prior to a position round. If games are not made up before a position round, the games will be declared a forfeit.

If at any time during the season the league misses a week, the league will be automatically extended. This rule will be in effect for a maximum of 2 weeks. If the league exceeds the maximum number of weeks allowed, a league meeting will be held to address any future extensions.

Forfeit:

See Rules 109 and 110.

Bye:

If at any point during the league an odd number of teams exists, the following method will be used. If the team bowling the Bye is not scheduled on lanes 7 & 8, the USBC lane assignment schedule will be changed and the team bowling the BYE will swap lanes with the teams bowling on lanes 7 & 8. The team bowling the Bye will bowl against the scores of the team bowling on lane 9.

Lane Courtesy:

This league has chosen to abide by the 1 lane courtesy rule.

Withdrawals:

If a Team should withdraw from the league, the team replacing them shall assume the standings of the original team. They will also be responsible for the prize money & secretary fee for any missed weeks.

Prizes & Awards:

Prior to the start of the schedule, the president will appoint a committee consisting of at least 3 league members to draw up a prize list. The prize list must be approved by the board of directors and posted within 5 weeks after the start of the schedule and must include Team & Individual Awards. The total of the Play-off money, Team Awards and Individual Awards (including High Average, Match Points and Most Improved) cannot exceed 40% of the total prize fund. A bowler or team can only win 1 prize, excluding high individual average, match points and most improved. If a bowler or team places in the same position in more than one category, prize money will be paid accordingly in the following order:

Scratch Series, Scratch Game, Handicap Series, Handicap Game

To qualify for individual prizes, a bowler must have bowled at least 2/3 of the season, 64 games.

The Prize Committee for the 2022 - 2023 Season is as follows:

The Championship Play-off will be held on the 33rd week (May 4, 2023) for the 16 teams that qualify. To be eligible for the play-off, a bowler must have at least 12 games bowled in the league. Bowlers will use their average at the end of the quarter in which they qualified or their Year End average; whichever is higher.

Play-off teams will draw for a team number for their starting lane. Each team will bowl 4 games and will move lanes after each game by following a 16 team, 4 week USBC schedule.

At the completion of the 4 games, the teams will be ranked highest to lowest according to total pins to determine the league champion.

Note: In the case of a tie for 1st place, the 2 teams will bowl a 1 game roll-off to determine the league champion.
